LET'S CHAT ABOUT OUR GARDENS
Wednesday, February 22nd at 1:00 p.m.

Come and share your plant and garden experiences with your fellow gardeners, and help support Clark Botanic Garden at the same time. Hear with what plants and/or garden ideas others have won or failed. This is an informal "chat session" to give us all an opportunity to talk about the wonderful world of plants. Join us for a fun afternoon when we will share some coffee, tea, and cake, and our gardening "stories."

FEE: \$5 for Members; \$8 for Non-Members. Refreshments served.
